

ERIC MCDANIEL MINISTRIES

**THE MAN. THE MINISTRY. THE IMPACT.**

## **Bishop Eric A. McDaniel**

Bishop Eric A. McDaniel is a fourth-generation preacher and one of the most prolific, didactic voices in the 21st-century Church. As the eldest son of the late Bishop Allen and Lady Richardine McDaniel, he carries a rich spiritual legacy marked by excellence in preaching, worship, and leadership. Alongside his wife, Pastor Subrenia McDaniel—herself a dynamic preacher—he serves as Senior Pastor of The Lord’s Church Family Worship Center, with thriving campuses in both Bronx, NY and Raleigh, NC. Together, they are the proud parents of Brittney and Bria, and joyful grandparents of four beloved grandchildren.

Called to ministry at sixteen, Bishop McDaniel has spent decades shaping the landscape of both the pulpit and the gospel music industry. His early work as church organist and founder of the Bronx Mass Choir established him as a creative force in worship, while his preaching ministry has made him a sought-after evangelist, conference speaker, and leadership facilitator across the nation. Known for his rare blend of scholarly insight, prophetic clarity, and pastoral compassion, Bishop McDaniel communicates timeless biblical truth with a depth that engages the mind and ignites the spirit.

His ministry is defined by powerful preaching, authentic worship, and transformative teaching that leads believers into deeper revelation and purposeful living. As a modern-day oracle, a voice that awakens destiny and restores hope, his leadership propels believers to pursue their divine purpose. Whether behind the pulpit, in the classroom, or on the musical stage, Bishop McDaniel’s voice continues to inspire, instruct, and empower generations to pursue God with excellence, integrity, and conviction.
